RESPONSE TO NOTICE TO FILE MISSING  
PARTS OF APPLICATION

Sir:

Form PTO-1533, mailed on November 3, 1997, a copy of which is enclosed herewith, requires that a basic filing fee of \$790.00, a surcharge fee of \$130.00, and a Declaration signed by the inventors be submitted by January 3, 1998, which is two months from the mailing date of Form PTO-1533, relating to the above-cited patent application.

This case was filed without a Declaration because an application with a Declaration attached thereto was not received by the Attorney of Record by the Convention Date. Therefore, in order to comply with filing requirements, a Declaration citing the above-identified application by its serial number and filing date is enclosed herewith. Priority was claimed under 35 U.S.C. §119 at the time of filing of the above-cited patent application.

The undersigned attorney of record hereby states that the invention recited in the Declaration enclosed herewith is identical to the invention captioned above.

As requested by Form PTO-1533, all required documents are enclosed herewith.

If mailed, I, the person signing this certification below, hereby certify that this correspondence is being deposited with the United States Postal Service with sufficient postage as first class mail in an envelope addressed to: Assistant Commissioner for Patents, Washington, D.C. 20231, on the date indicated in the certification of mailing on the transmittal letter sent herewith, or if facsimile transmitted, I, the person signing this certification below, hereby certify that this paper is being

facsimile transmitted to the United States Patent and Trademark Office on the date indicated in the certification of facsimile transmission on the transmittal letter which is being facsimile transmitted herewith.

Respectfully submitted,
